(MDS)

Open to all. Not only MDS members.

Monday, March 30th, 2020 at 2 pm

Featuring
Mark B. Rosen, CPA, CFP (R)

The MDS knows that dental professionals in Massachusetts have many questions about how the recently passed federal economic stimulus bill, the Coronavirus Aid, Relief, and Economic Security (CARES) Act, will impact your practices and livelihoods. That's why we've partnered with Mark B. Rosen, CPA, CFP(R), of Rosen & Associates, LLP, to present a complimentary webinar to help you understand the CARES Act and how it affects you and your practice. Attendees will learn answers to the following questions:

What specifics do you need to know from the CARES Act?

What should you do now?

How does this bill affect you and your practice?

Stay safe and healthy.
