Shopping List

Think broadly for securing products and supplies. Consider janitorial supply companies, restaurant supply houses, local hardware stores and other places as resources for some materials. Be sure to add yourself to wait lists for products/supplies. It is unclear when supply chains will return to normal, but if you are not on a list you may miss out. Be cautious of the 'gray market' products when shopping.

This guidance is intended to help dental practices lower (but not eliminate) the risk of coronavirus transmission during the current pandemic. Dental practices should not presume that following the guidelines will insulate them from liability in the case of infection. Dentists should also be aware of any relevant laws, regulations, or rules adopted in their states.
