

Introducing Rosen Dental Transitions, LLC

As we welcome in a new year, Rosen & Associates, LLP is proud to announce the re-structuring and re-branding of our transition and brokerage company, newly named **Rosen Dental Transitions, LLC. (RDT)**.

We have partnered with **Dave Miller**, who previously worked for Bank of America Practice Solutions dental division, to bring our clients an experience like no other in the New England transition marketplace. With Dave's years of experience in the dental industry reviewing practices from the lending side, Dave understands what it takes to get a deal done at the right price, with the right buyer.

Whether you want to sell your practice today, sell it in the future or buy a practice tomorrow, **Rosen Dental Transitions, LLC** can handle every step in the transition process.

For more information, please contact Dave using the buttons below or speak with your Rosen & Associates partner directly.
