The PPP & ERC Program (P.E.P) is now available and open for registration on our website

In this 24 minute video we discuss our P.E.P program including how to sign up, the estimated time, and the estimated fees associated with this service.

We encourage you to sign-up and wait to apply for PPP forgiveness until after the ERC calculation is completed, as these programs overlap. Applying for PPP forgiveness early could reduce the money (cash) that you may receive from the ERC program.

As stated on the registration form and in the P.E.P engagement letter, this program will be billed separately from your normal monthly billing.

Please continue to stay tuned for more videos to come.
