Tax Deadline Update

Many news outlets have reported that the IRS may delay the 4/15/2021 tax deadline until 5/15/2021. We are aware of these reports but the IRS has not yet officially changed the deadline.

Whether the deadline is extended or not, please continue to send us your tax documents as soon as possible. We will continue to provide you with updated information as it is available.

Stay safe and healthy,

Rosen & Associates, LLP
