Personal tax return tip of the day

Please wait until you have many/most of your personal tax documents before you send them to us.

Please do not send tax documents piecemeal/daily/one or two at a time.

Please gather the majority of documents and send them all at once – pdf files via secure upload or email, or in the mail.

To securely upload documents:

1. Visit www.rosendentalcpa.com
2. Click "Click here to upload files"
3. Select your account manager at Rosen or select "ADMIN, ROSEN"
4. Enter your name and email address
5. Drag files where indicated or select "browse files"
6. Click upload

Thank you for making your tax return preparation process as efficient as possible.
